

Ballot grid consisting of 50 rows of 25 circles each, used for marking selections.

A large grid of 20 columns and 30 rows of small circles, resembling a dot grid paper. The circles are arranged in a uniform pattern, with each circle having a thin black outline and a white fill. The grid is bounded by thick black lines on the top, bottom, left, and right sides. The circles are evenly spaced, creating a clean and organized layout.
